

How can I help myself and the Angus Foundation?

The Angus Foundation and its functions would not be possible without the financial support of many generous donors. The donors listed below contributed more than \$100 during the 2002 fiscal year. In addition to the supporters at the various levels below, the Angus Foundation also would like to recognize and thank the following for their in-kind donations: American Live Stock Insurance; Lathrop Livestock Transportation; Trans Ova Genetics; Merial; Alta Genetics; American Angus Association Angus Information Management Software; FastCow Technologies; *Angus Journal* Web Marketing Department; James Danekas and Associates.
